

# Our Key Achievements

From groundbreaking federal initiatives to a heightened public understanding of caregiving as a social issue, 2023 marked a significant year for the **National Alliance for Caregiving** and the caregiving movement. The drive to support family caregivers continues to gain momentum due to our leadership and the tireless efforts of our partners.

We are deeply grateful to our members and partners for making this impactful year possible!

## 1

### We Sparked Policy Change

- We launched the #ActOnRAISE Campaign with 100+ partners to drive action on the **National Strategy to Support Family Caregivers**.
- We championed the most significant **White House Executive Order on Caregiving** ever.
- We won a major **Medicare rule change to help train family caregivers** providing complex care.
- We won **\$20 million in new federal funding** to implement the National Strategy to Support Family Caregivers.
- We organized **90+ meetings with members of Congress** on our priority policies and issues.
- We secured a **bi-partisan congressional resolution** that recognizes the value of America's 53 million family caregivers.

## 2

### We Drove System Change through Research and Programs

- We won a **\$2.5 million federal award to address gaps in caregiving research**.
- We issued **4 new briefs to guide action for caregivers** in mental health, transplant care, and cancer care.
- We **convened 700+ subject matter experts, family caregivers, and patient advocates** to address areas of unmet need in caregiver health and wellness.

## 3

### We Shaped the Narrative on Family Caregiving

- We shaped more than **4,000 media stories on family caregiving**, from the New York Times to the Chicago Sun Times.
- We generated **20 million digital impressions** through online storytelling and engagement with our partners.
